### LOAN SIGNING SPECIALIST

Loan and Mortgage Companies need the service of trained and certified personnel. This is the work for a California State Notary Public. However, just being a notary is not good enough for today. Companies in the loan industry want notaries to have additional training in the real estate field. This class provides the notary with the skills and abilities of a Loan Signing Specialist. This course will cover the duties from the initial contact with the borrowers, to the completion and return of the loan document package. With interest rates low, many homeowners are refinancing their existing loans. On the successful completion of the take home exam, students are provided with a Certificate suitable for framing.
